2025 RELEASE UNDER THE PRESIDENT JOHN F. KENNEDY ASSASSINATION RECORDS ACT OF 1992

AMLASH/1 - Paris Station Aspect

Paris Station involvement with the AMLASH case began in 1962, after AMLASH/1 came to Paris after attending the Helsinki Youth Festival that year. In Helsinki, AMLASH/1 was contacted by UNRUHEHR/2 (an asset of the Paris Station who attended the Festival for purposes of disruption) and by other KUBARK assets. It is not clear from our files just when AMLASH/1 was "recruited" but it appears that he was recruited during or shortly after the Festival.

In Paris he was in contact with Peter J. KYMINOHAM (probably in alias although I know that AMLASH/1 was at KYMINOHAM's home upon occasion). In 1962 AMLASH/1 was given training in explosives by OTHERS (I believe) upon request of the Paris Station. He appears to have returned to PBRUMEN in late 1962. It is not known if other Paris Station personnel were in contact with AMLASH/1 during that period.

AMLASH/1 next arrived in Paris on 14 September 1963, coming from the International Games held in Puerto Alegre, Brazil, where he was in contact with TYPIC officers. At this point AMSPORT/1 (now QUSPORT) was in contact with AMLASH/1 in Paris and AMWHIP/1 was another comm channel (the one being used primarily by Hqs.). The Headquarters TYPIC officer, ONTRICH (F), arrived in Paris on 3 October 1963 and picked up the contact with AMLASH/1 which was being maintained by AMSPORT/1 and KYMINOHAM. The meetings with AMLASH/1 took place in KYMINOHAM's home as best I remember. These discussions concerned AMLASH/1's plans to assassinate AMTHUG and overthrow his regime.

ONTRICH returned to Paris in late October, after discussions at Headquarters on the case. ONTRICH and DAINOID, who were ~~was~~ stay in Paris at the time, met with AMLASH/1 in late October or early November. DAINOID's participation was due to AMLASH/1 strong desire to talk with some high-level ODYOKE official concerning his plans and to obtain ODYOKE blessing if possible. I am not aware of exactly what happened at these meetings but I received the impression from KYMINOHAM that such blessing was given. AMLASH/1 returned to PBRUMEN on 27 November 1963. It was during this visit to Paris

AMLASH-1

that STOCKWOOD met AMLASH/1 and AMWHIP/1, presumably in alias but I do not know the details. It was also apparent by the time AMLASH/1 left that he knew UNSHAFU/5 was working for KUBARK and we knew that UNSHAFU/9 was aware to some extent of AMLASH/1's plans (UNSHAFU/9 had [redacted] been recruited by KUBARK at that time). It was agreed that AMLASH/1 would used the address of UNSHAFU/13's parents for s/w letters to KUBARK (UNSHAFU/13 is wife of UNSHAFU/9).

AMLASH/1 next arrived in Paris in late November or early December 1964. AMWHIP/1 STOCKWOOD and ONYRICH (tdy from Headquarters) met with him in Paris (this time in a safe house of the Station. AMLASH/1 left for PERUMEN from Madrid on 20 February 1965. During this stay in Paris AMLASH/1 met the following KUBARK staffers and agents:

STOCKWOOD, CLOADEN, RODAMOR
AMWHIP/1, UNSHAFU/9, UNSHAFU/5, UNSHAFU/13

You will recall that in December 1964 UNSHAFU/5 had a nervous breakdown and AMLASH/1 played an important part in convincing UNSHAFU/5 that he should agree to hospitalization. It was in this connection that CLOADEN and RODAMOR met AMLASH/1. CLOADEN subsequently met with AMLASH/1 two or three times to received reports for STOCKWOOD. These meetings were direct meetings or in the home of UNSHAFU/5. During this stay, AMLASH/1 traveled to Madrid at least once to meet with AMCUDDY/1 and AMBARK/1. I am not aware of results of these meetings except that AMLASH/1 was seeking the physical instruments to carry out his plan to eliminate ARTHUR.

There was no additional contact with AMLASH/1 in Paris subsequent to February 1965 but the Station (CLOADEN and MIRRLESS) did have subsequent contact with UNSHAFU/5, UNSHAFU/9, AMLASH/2 and AMLASH/3. You will recall that it was AMLASH/3 who made the "joking" pitch to MIRRLESS on 6 May 1965. AMLASH/2 and AMLASH/3 were both aware of AMLASH/1 plans.
